

Conference on Applied Statistics in Agriculture and Natural Resources

April 26-28, 2020 | J. Wayne Reitz Union | University of Florida | Gainesville, FL

Call for Abstracts

The Conference on Applied Statistics in Agriculture and Natural Resources represents a dynamic and growing assembly of statisticians from academia, industry and government to discuss ideas and advancements in the application of statistics to solve agricultural research problems. If you are working in the field, you are encouraged to submit an abstract for consideration as an oral or poster presentation. Presentations will focus on an array of topics, our goal is to develop a fully rounded agenda that ensures diverse representation.

Follow these steps to prepare and [submit an abstract](#):

1. Use [this template](#) to create a perfectly formatted abstract.
2. Proof your abstract carefully and obtain applicable approvals prior to submission.
3. Complete the online submission form and watch for typos. If your email address is incorrect, you will not receive a confirmation email.
4. Upload your abstract file by the **Friday, January 31, 2020** deadline.

Detailed instructions for submitting an abstract are posted [here](#).

Attention Students!

A **Student Competition** will be held in conjunction with the Conference on Applied Statistics in Agriculture and Natural Resources. All presentations by bachelors, masters and PhD students are eligible to participate. Competition categories include the Best Student Oral Presentation and the Best Student Poster Presentation.

If you wish to be in the competition, [SUBMIT AN ABSTRACT](#) by January 31, 2020 deadline and indicate your interest when completing the online abstract submission form. Winners will be announced at the end of the conference.
